

REGION 2 2008 PROJECT BRIEF

Porter Rockwell Trail, 12400 South to 11400 South

Project features:

- **Connects Salt Lake Valley Trail System with the Utah Valley Trail System**
- **Provides non-motorized access to schools, parks and recreational facilities**

Trials and Bike Paths

The purpose of the Porter Rockwell Trail is to provide alternate forms of transportation, recreational use, and inter-modal connectivity for trail users by tying the Utah Valley Trail System with the Salt Lake Valley Trail System. The proposed path will provide non-motorized access to schools, parks, and recreational facilities.

This portion of the project will construct a 10-foot wide paved pedestrian/bicycle path from 700 East at 11800 South to approximately 11400 South and 400 East.
